KIDS CAMP EXPERIENCE

This is the 34th year for TKD Kids Camp and we are excited to share our knowledge and enthusiasm of Taekwon-Do with you. Your child will experience six training sessions per day which will include self-defense, team building, basic, intermediate and advanced kicking drills, tournament and testing preparation. The camp will reignite the fire for each camper to train harder and re-apply lessons that they are learning in their home dojang.

CAMP MEALS & MEDICAL CARE

We are very conscientious about the anxiety a parent has when their child leaves for camp. We provide the best quality nutrition and plan each meal with regard to dietary needs, especially when training/playing several times daily, and also allergy concerns.

We provide an onsite first responder 24/7 for an upset tummy, boo-boo & to administer any prescribed or OTC medication.
